History

Few would argue that, despite the advancements of feminism over the past three decades, women still face a double standard when it comes to their behavior. While men's borderline-inappropriate behavior is often laughed off as "boys will be boys," women face higher conduct standards – especially in the workplace. That's why it's crucial that, as women, our behavior on the job is beyond reproach.Small Towns and Big StatesFor evidence of the double standard, we need look no farther than Arlington.
